TERMS OF USE & USER AGREEMENT

YOUR GUIDE TO USING eDESIGN

This Agreement governs use of eDesign, the Varsity Yearbook online yearbook creation program. If you have been authorized to access eDesign, this Agreement also governs use of the Varsity Yearbook web site. "Service" means those parts of eDesign which you may have been authorized to access.

Since you selected the "I Accept" button and started using any part of the Service, you agreed to be bound by all of the terms in this Agreement. You should print and keep a copy of this Agreement (see eDesign Help for a printable copy). Varsity Yearbook may change the terms in this Agreement. When the terms are changed, Varsity Yearbook will notify you by email and/or online postings. The changes also will appear in this document, which you can access at any time by selecting "Legal Terms." By accessing the Service after Varsity Yearbook has notified subscribers of a change and this Agreement is posted, you agree to be bound by all of the changes.

To use the Service, you must obtain access to the World Wide Web, either directly or through devices that access Web-based content, and pay any service fees associated with such access. In addition, you must provide all equipment necessary to make such connection to the World Wide Web, including a computer and modem or other access device.

PRIVACY OF INFORMATION

Since you selected the "I Accept" button, you also agreed that Varsity Yearbook may store information you provide as part of the printing process and use such information to inform you about other Varsity Yearbook publications, products and services. Varsity Yearbook also may deliver additional messages about the Service to you by email. Varsity Yearbook will not disclose any of your "Personal Identifying Information" to a third party.
